

1. **RANDY** — From “They Fell” [Male Identifying Auditioners]

(Two long-time friends, Randy and Chad are sitting sharing some beers and telling each other about their unfortunate experiences on some recent dates. It becomes a competition over who had the worst date.)

CHAD: Wel, then ... let's hear it.

RANDY: *(this is tough to share)* Mine's face broke.

CHAD: What?

RANDY: Her face broke.

CHAD: Her —?

RANDY: Only get one chance with a girl like Yvonne LaFrance, and her face broke....Told you it was bad.

CHAD: How did her face break?

RANDY: When we were dancin'.

CHAD: *Dancin'?* *(These guys don't dance)*

RANDY: Yup.

CHAD: Why were you *dancin'*?

RANDY: 'Cause that's what she wanted to do. On our date. So I took her. Took her dancin' down to the rec center. You pay, then you get a lesson, then you dance all night. They teach “together dancing,” how to dance together, and we learned that thing where you throw the girl up and over, and, Yvonne — well she's pretty small ... and I'm pretty strong. And I threw her up and over, and well ... I threw her over ... over. *(beat.)* And she landed on her face. *(beat.)* And it broke. *(beat.)* Had to take her to the emergency room.

CHAD: That's a drive.

RANDY: Thirty-eight miles.

CHAD: Yup —

RANDY: *(disgusted.)* And she cried.

CHAD: Hate that.

RANDY: Whole way... Then had me call her old boyfriend to come get

her. CHAD: Ooh

RANDY: He did. Asked me to “please leave.” (*beat.*) He’s as small as she is. (*They laugh. Beat.*) What?

CHAD: That’s just – pretty bad.

RANDY: Yup.

CHAD: And sad.

RANDY: Yup.

CHAD: So I guess you win.

RANDY: Yup!
